

## Application form for W2MO® online training

Apply via email to [teamassistenz@logivations.com](mailto:teamassistenz@logivations.com) or by fax: +49 89 220 612 55

---

### Details

W2MO is the latest modeling and optimization web-based application with respect to the new technology of HTML5 and WebGL

Duration / costs: The below mentioned contents will be trained in 10 hour lessons (45 minutes each)  
– costs: total € 850,-  
It is also possible to only book 5 hour lessons (minimum), the content has to be individually agreed upon with the Logivations trainer accordingly – costs: total € 490,-

Date: To be individually agreed with the Logivations trainer

Skills required: basic knowledge of MS Windows®, MS Excel®

Target: The participant will learn the capabilities of the tool to model and optimize the layouts of their warehouses quickly and easily using the web browser.

---

### Contents

#### Basic functions

- Principles of modeling
- Graphical user interface
- Handling of the tool
- Structure of layout
- 3D animation and simulation

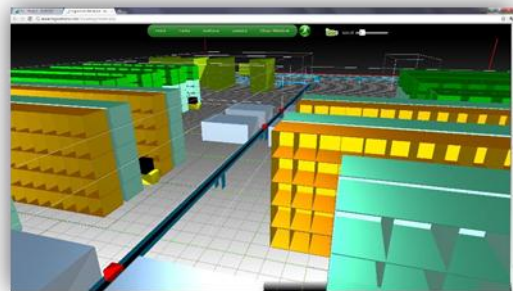

#### Practical example

##### 1. Layout modeling / Workflow

- Model bins and racks, define bin types and bins classification
- Processes, conveyors, automation
- MTM timing
- Creating or importing products, define product type and product classification
- Article / Item placement / assignment
- Batch creation and circuits
- Replenishment and change over planning, re-organization

##### 2. Data transfer

- Import /Export of layout data
- Import of external data

##### 3. Reporting

- Workforce demand
- Ongoing expenses or investments
- Determination of static and dynamic bottlenecks
- Staff capacity planning
- 3D simulation and animation

##### 4. Application of simulation and optimization technologies in practice

- Modeling procedure
- Logistics concepts
- Production supply
- Combination with intelligent algorithms
- Integration within existing systems

## Application form for W2MO® online training

Company name \_\_\_\_\_ Contact person \_\_\_\_\_

Department \_\_\_\_\_ E-Mail \_\_\_\_\_

Industry sector \_\_\_\_\_ Phone number \_\_\_\_\_

Street, No \_\_\_\_\_ Fax \_\_\_\_\_
